

REMARKS

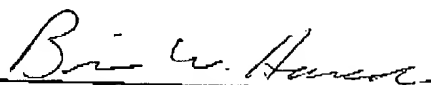

In the Office Action, dated January 27, 2004, the Examiner states that Claims 29-33 and 36-54 are pending, Claims 29-30, 36-45, 49, 50, 52 and 54 are rejected, and Claims 31-33, 46-48, 51 and 53 are allowed. By the present Amendment, Applicants amend the claims.

The claims have been amended to depend from claims which have already been allowed. Claims 44 and 45 have been revised from process claims to claims directed to a color filter. However, the features in those claims may be found in previous Claims 44 and 29. Therefore, the Applicants do not consider that those amended claims introduce any new matter that requires further consideration or a search by the Examiner.

In light of the foregoing response, all the outstanding objections and rejections have been overcome. Applicant respectfully submits that this application should now be in better condition for allowance and respectfully requests favorable consideration.

Respectfully submitted,
